

LVUSD Outdoor Education Financial Assistance Application 2023-2024

Application Statement

I hereby verify that, by signing and submitting this form to the Assistant Superintendent of Educational Services, I wish for my fifth grader to attend the Outdoor Education Program but I do not have sufficient funds to pay the fee by the due date. I further understand that the District may need to coordinate with outside community groups to supply funds needed to cover the cost needed for my student(s) to attend the program. Although no student will be denied participation because he or she is unable to pay the fee, if the District is unable to collect or raise the funds needed to cover all students who wish to attend the field trip, it will need to cancel the program.
